**REPLY TO PLAINTIFFS' RESPONSE TO
DEFENDANT'S MOTION TO STAY PROCEEDING**

Introduction

By engaging in overlapping, successful solicitations of the same Wayne Farms employees, competing trial lawyers have created a mess. Two hundred forty-one (241) people who work or worked at Wayne Farms' Union Springs live chicken processing plant are Plaintiffs here;¹ one hundred twenty-eight (128) others are plaintiffs in a virtually identical suit filed later in the Southern District of Mississippi;² seventy-two (72), remarkably, are suing Wayne Farms on the same claims in both cases, through two sets of competing counsel.³ Upon service of the Mississippi complaint, Defendant promptly asked the competing counsel to settle their

differences so as to put the claimants in the districts where they reside and where their claims arose. When those discussions began to drag on, Wayne Farms in mid-January moved the Mississippi court to sever the Union Springs claimants and send them here for consolidation with this case. At the same time, Wayne Farms asked this Court for a short stay to allow the Mississippi court to rule on that motion or, alternatively, to apply the first filed rule, extracting from the Mississippi suit the plaintiffs who sued here first.⁴ The competing plaintiff counsel groups reacted to those motions by assuring defense counsel that they were near a deal to clean up the mess they made. That deal broke down, for reasons explained below. But before it did, the Celler group in this case filed many additional plaintiff consents, filed an Amended Complaint, and served and obtained responses⁵ to hundreds of discovery requests, all while seeking and obtaining a delay of its date for response to the stay motion. See Docs. 29, 30 filed February 13 and February 16, 2007. Now, opposing any stay, Plaintiffs' local counsel assails Wayne Farms' motives, pleads severe prejudice unless class notice is issued very soon, and promises to move for class certification by March 5, Doc. 34, ¶¶ 3-7, 11, even though no scheduling order has been entered and no initial disclosures made. Plaintiffs have not opposed application of the first-filed rule to Plaintiffs who joined both suits. Taking that much of the motion as confessed, Defendant explains below why Plaintiffs' counsel should not be heard to complain of delays related to reasonable efforts by defense counsel and the courts to clean up the

⁴ Wayne Farms made the same requests with regard to the Mississippi plaintiffs whose claims arose in the Albertville, Decatur Fresh and Enterprise, Alabama plants sued by the Richard Celler and Cochran Firm coalition of counsel who brought this case. See *Belue, et al. v. Wayne Farms LLC*, N.D. Ala. 4:06cv02095 (Albertville), *Bolden et al. v. Wayne Farms LLC*, N. D. Ala. 6:06cv02096 (Decatur Fresh), *Adams v. Wayne Farms LLC*, M. D. Ala. 1:06cv0950 (Enterprise).

⁵ Served after Plaintiffs' Response and before this Reply because the Court in *Adams* Doc. 39, entered February 6, 2007, summarily denied Wayne Farms' request that its discovery response obligations be stayed until the Court could rule on this motion.

mess they have made, and why proceeding directly to class notice may create an even bigger mess.

Facts

Because Wayne Farms has been compelled to respond to hundreds of Plaintiff discovery requests while Plaintiffs obtained additional time to respond to this motion, Wayne Farms no longer requests a complete discovery stay. Wayne Farms now requests only that the Court stay class proceedings and that the Court stay further Plaintiff discovery efforts. Other changed circumstances, described below, support the motion as so modified.

Attempts by the Richard Celler group and the William Hommel group to negotiate terms to sever the Alabama plaintiffs from the Mississippi suit broke down when the Celler group – associated here with the Cochran Firm and in Mississippi with Mike Espy – went to Mississippi and conducted in late January and early February an intensive solicitation of the entire Wayne Farms processing workforce there, including the almost five hundred workers already suing Wayne Farms there through the Hommel group. One Hommel client's stunning testimony about that overly bold move appears as Exhibit A to this rebuttal. Until the Celler group responded on February 26 to our January 16 motion, they, not Wayne Farms, had pleaded for delay in the Court's ruling on this motion, while benefiting tactically from that delay. Now, it appears that their aggressive competition for Mississippi clients has made the resolution of this motion even more problematic.

Plaintiffs ask the Court to accelerate the normal pace of proceedings, supposedly to save claims that otherwise might expire, never minding the clear risk of conflicting, ethically tangled,

multi-district class litigation. Wayne Farms answers that the risk of claim expiration is overblown and that plaintiffs' lawyers are directly responsible for it.⁶

The consents filed in this case and in the *Agee* case bear witness that, from July through November, 2006, two groups of aggressively competing trial lawyers conducted intense client solicitation campaigns among Wayne Farms' 648⁷ Union Springs processing employees. As shown by Exhibit B to this Reply, 1402 people have held non-exempt processing jobs at the Union Springs, Alabama plant for at least one day in the last two years; 1330 of them have been employed there within the last twenty-two months.⁸ Therefore, even if the Mississippi court and this Court required a two months stay to sort out the mess created by overlapping plaintiffs and class claims in different districts, Plaintiffs' opposition would boil down to an argument about the need for formal, judicial re-re-solicitation of potential claims from, at most,⁹ 72 former Union Springs non-exempt processing employees who have so far declined to sue, despite repeated, energetic solicitations to do so. The point to be decided is how the burden of claim loss risk should be apportioned between the parties and their counsel.

⁶ In this regard, it seems fair to point out that Plaintiffs' concern for the rights of those who have not yet filed consents-to-join is a sometimes thing. *E.g.*, Doc. 42 ¶¶ 5-6. On February 20, 2007, Plaintiffs filed 13 consents to join. Doc. 31. These included consents from Edward Anthony, who had signed it on September 16, 2006, Anquanique Davis, who had signed it on September 25, 2006, Walter Giles, who had signed it on December 8, 2006, Hanson Mack, who had signed it on September 3, 2006, and Anthony Williams, who had signed it on September 16, 2003. In other words, Plaintiffs waited approximately five months (or, for Mr. Giles, a little more than two months) before filing consents they already had in hand, but they oppose Wayne Farm's motion for an organizational stay in order, they claim, to protect the rights of unknown speculative plaintiffs.

⁷ This is the number of Union Springs, Alabama, non-exempt processing employees on July 18, 2006, the earliest date shown on a consent to sue form apparently signed by alleged Union Springs, Alabama employee, Jim H. Person. See Doc. 2-5, p. 30 of 43 in *Agee v. Wayne Farms*, S.D. Miss. 2:06cv0268.

⁸ Wayne Farms uses here the FLSA's two year period for non-willful violations, rather than the three year period for willful violations, for two reasons: (1) it gives the Court the worst case scenario about the potential burden of claim expiration and (2) because Wayne Farms believes that its election to spend millions of dollars not spent by its major competitors to compensate its employees for the disputed activities insulates Wayne Farms from any willfulness claim, even if the six daily minutes it has paid them should, for some of them, be proven inadequate in 20/20 hindsight. If the three year limitations period were substituted for the two years used in this example, the number of claimants with two months or less left to sue would be 108.

⁹ Assuming, contrary to all known industrial reality, that all Wayne Farms' addresses for all former Union Springs, Alabama employees who have not worked there for almost two years are still good.

Argument

Wayne Farms' motive was exactly that expressed in the motion – to clean up the mess made by competing lawyers' overlapping, largely successful solicitations of its Union Springs, Alabama processing workforce. Before embarking on discovery and notice proceedings, it seemed to Wayne Farms a good idea to know where that dispute will be heard and with which Plaintiffs' counsel Wayne Farms must coordinate and dispute those pretrial matters. Wayne Farms had and has no ulterior motive. Its legal position is that it owes nothing for FLSA compensable donning, doffing and walking time because it has, for the entire limitations period, unlike most competitors, paid all master card employees with significant donning and doffing burdens for all such activities an additional six minutes per day, including those paid minutes in overtime calculations. Wayne Farms does not fear reasonable class notice, but does fear the prospect that over-reaching claims and counsel will mislead the Court to authorize an overly broad notice or a class notice that conflicts with a Mississippi class notice, resulting in, for example, multi-case joinders of the same claimants, joinder of people who assert legally untenable claims and people whose work hours were never measured at all by master card, which will result in much wasted discovery, motion and decertification expense. Plaintiffs' willingness to plunge headlong into this morass suggests desperation.

Response ¶ 12 betrays the real urgency of Plaintiffs' position: "The net effect of this Court granting Defendant's motion to stay would be for the *Agee* litigation to move forward more quickly" Translation: "Unless our class is certified first, we risk being relegated to subordinate counsel in a consolidated case." Who wins the client tug of war should not be a basis for this motion's resolution. Instead, the Court should keep the heat on the competing lawyers to solve the problem themselves, though the Celler lawyers seem disinclined to deal. If

the Celler group had specifically intended to preclude an amicable re-assignment of Alabama plaintiffs from the Hommel group's Mississippi suit, they could not have chosen a tactic more effective than soliciting the Hommel group's Mississippi clients and filing an overlapping Mississippi suit during the negotiations.

If the Court decides that the expiring claims of up to 72 potential Union Springs claimants can only be preserved by permitting further Plaintiff discovery and issuing class notice before the Mississippi court rules on the severance and transfer motion pending there, these adverse consequences are easily foreseeable:

- Mississippi plaintiffs represented by the Hommel group may respond to the notice and retain the Celler group as their counsel, complicating matters for both courts, perhaps requiring re-hearing of the motions now pending in Mississippi;
- Taking a queue from the Celler group, the Hommel group may feel compelled to defend its Alabama claim interests by matching the Court's notice favoring the Celler group with a new round of local solicitations of Union Springs employees to join the Mississippi suit, prompting the Celler group to move this Court to enjoin that solicitation or resulting in a duplicate action filed here;
- The Court will be making its class notice decision even before it enters a scheduling order and before Defendant is permitted to discover anything from Plaintiffs – even their initial disclosures;
- The Mississippi court may decide to ignore these proceedings, as its own proceedings have been ignored by this Court, and may issue a conflicting, overlapping class notice.

The Court has two better options: (1) let the ultimate risk of claim loss continue to rest with the lawyers who created this mess and who may be sued for the value of proximately lost claims, thus keeping the pressure on them to clean it up themselves, promptly, or (2) shift the burden to Wayne Farms, by conditioning the requested stay of class proceedings on Wayne Farms' agreement that the limitations period for people who have not yet executed consents to sue shall be tolled by the time that the stay remains in effect.

The first option – leaving the risk with those who created it – is more likely than the second to produce a truce between warring plaintiff counsel, avoiding judicial proceedings, and is more likely to produce a resolution promptly. The second option – shifting the burden to Wayne Farms, will take the heat off of plaintiffs’ counsel, allowing them to continue to indulge their adversity, perversely, at Wayne Farms’ expense; much related motion practice can be foreseen, both here and in Mississippi. This seems particularly unfair because Plaintiffs’ argument about claim loss due to delay applies as well to the months between the suit’s October, 2006 filing and the upcoming class notice motion, and to the months between September 2006 consent executions and February 2007 filing by four new Plaintiffs,¹⁰ wholly in the discretion of Plaintiffs’ counsel. An extra few weeks for the reasons requested here seem perfectly reasonable. However, either option presented above is preferable to proceeding with class notice before anyone knows which plaintiffs will be litigating where, represented by whom, in order to help one of two groups of lawyers competing for the same group of claimants.

WHEREFORE, Wayne Farms prays that the Motion will be granted.

Respectfully submitted this 2nd day of March, 2007.

2 SHIRLEY LINDSEY,

3 having first been duly sworn, was examined and
4 testified as follows:

5 EXAMINATION

6 BY MR. CRUTCHER:

7 Q Ms. Lindsey, would you please identify
8 yourself for the court reporter, that is, your name,
9 address, and tell us where you work.

10 A My name is Shirley Lindsey. I work for
11 Wayne Farms. I live at 1706 South 11th Avenue,
12 Laurel, Mississippi.

13 Q Ms. Lindsey, what's your job at Wayne
14 Farms?

15 A I'm a dumper operator.

16 Q For somebody who has no idea what a
17 dumper operator does, would you briefly tell us?

18 A A dumper operator is a person that dump
19 birds into the pens so the hangers can hang the birds.

20 Q And that's right at the start of the
21 processing operation. Right?

22 A Yes.

23 Q Now, what we're here to do, Ms. Lindsey,
24 today is to get what I hope will be a small amount of
25 sworn testimony from you that can be used in this

1 case, and the case we're talking about is the April
2 Agee and others versus Wayne Farms case. And in that
3 case I'm a lawyer for Wayne Farms and there with you
4 is Seth Hunter, and at the other end of the phone line
5 is Bill Hommel.

6 Now, as I understand it, Seth Hunter is
7 your lawyer for this deposition here today. Is that
8 correct?

9 A Yes.

10 Q Am I also correct in understanding that
11 he and the lawyers that are associated with him are
12 the only lawyers you are authorizing to represent you
13 with regard to the claim against Wayne Farms. Is that
14 right?

15 A Yes.

16 Q Okay. Now, at work you're represented by
17 a union. Is that correct?

18 A Yes.

19 Q And that union is the United Food and
20 Commercial Workers. Is that correct?

21 A Yes.

22 Q And you're covered by a union contract
23 between Wayne Farms and that union. Is that correct?

24 A Yes.

25 Q Now, I am about to ask you some questions

1 about possible communications between you and lawyers
2 not associated with your present attorney, and it's
3 not my intention to ask about any such communications
4 that are confidential between you and your lawyer. My
5 intent is to only ask you about communications with
6 people who are not your lawyers and never were your
7 lawyers against Wayne Farms. Now, if you have any
8 concern about answering these questions and want to
9 talk to your lawyers privately about it, just let me
10 know and I'll stop and allow you to do so. Okay?

11 A Okay.

12 Q At some point you signed something to
13 join up in this suit, April Agee against Wayne Farms.
14 Right?

15 A Right.

16 Q Do you remember roughly when that was?

17 A Back here in August or September,
18 somewhere between them two months.

19 Q Before that, had a lawyer named Mike Espy
20 ever asked you to hire him to sue Wayne Farms?

21 A No.

22 Q Before that, that is, before you signed
23 up to be a plaintiff in the April Agee case against
24 Wayne Farms, had a lawyer named Richard Celler ever
25 asked you to hire him to sue Wayne Farms?

1 A No.

2 Q Before you signed up to sue Wayne Farms
3 through your present counsel, did you know a woman
4 named Kathy Sikes?

5 A No.

6 Q Today, as the facts are today, have you
7 ever met a woman named Kathy Sikes?

8 A Yes.

9 Q How many times, to the best of your
10 memory, have you met Kathy Sikes?

11 A Five times.

12 Q Has she ever told you that she's a
13 lawyer?

14 A No.

15 Q Has she ever told you anything about your
16 legal rights against Wayne Farms?

17 A My legal rights against Wayne Farms?

18 Q Yes, ma'am, your rights to overtime, your
19 rights to minimum wage, whatever your legal rights are
20 against Wayne Farms. Has Kathy Sikes ever given you
21 any advice about that?

22 A Yes.

23 Q Did she ever tell you that she is not a
24 lawyer?

25 A Well, she never told me she was a lawyer,

1 and she never told me she wasn't.

2 Q Without going into great detail, can you
3 tell me basically what you recall that she advised you
4 about, what sort of rights she advised you about?

5 A As my right as a poultry worker, about
6 the lawsuit against Wayne Farms and my wages and my
7 putting on my aprons and taking off my aprons and
8 overtime and stuff like that.

9 Q Has Kathy Sikes ever asked you to hire
10 Mike Espy or Richard Celler to sue Wayne Farms?

11 A No.

12 Q Did she ever suggest to you that you
13 ought to do that?

14 A Yes.

15 Q How did she suggest that? Do you recall?

16 A She was -- she came -- well, how I came
17 to met her was I was called by a meeting up there with
18 them, and they said, We want you to meet Kathy. I met
19 Kathy -- she was sitting at the table -- and she said,
20 I have some papers I want you to look at, and I told
21 her I couldn't see them without my glasses. And she
22 started telling me that Mike Espy is a lawyer that is
23 representing poultry workers union, something like
24 that he was representing, and that he wanted us to
25 sign papers for him to be our lawyer to represent us

1 in the lawsuit against Wayne Farms.

2 Q Now, you never signed those papers, did
3 you?

4 A No.

5 Q About when was this that you met Kathy
6 Sikes for the first time?

7 A For the first time, it had to have
8 been -- because it was my son's birthday, so it was
9 the 14th. I met them, like, two days before my son's
10 birthday.

11 Q What month was that?

12 A That was January.

13 Q All right. Do you recall how you were
14 called up there to meet them?

15 A Well, my son had called me and told me
16 that Mr. Thaddeus wanted me to meet him at Oak Park
17 alumni building behind Oak Park, so I went up there
18 and he introduced me to Kathy Sikes and Mike Espy's
19 brother that was up there. I don't know the guy's
20 name.

21 Q This meeting with Kathy Sikes, where was
22 it again?

23 A At the Oak Park alumni building behind
24 Oak Park School.

25 Q Okay. Now I get it.

1 Now, you said you met Kathy Sikes five
2 times, so I take it there were four other meetings
3 after this first one.

4 A Okay. It was one the first time I met,
5 which had to be before my son's birthday, which was
6 the 14th. Then I met them on the 14th. Then we had,
7 like, two meetings after that. And then the fourth
8 meeting is where they gave out the \$50.

9 Q Well, I'll get there. At this first
10 meeting somebody put papers in your hand and asked you
11 to sign them. Right?

12 A Yeah, but I couldn't see them. I told
13 them I couldn't see them because I didn't have my
14 glasses on. I wasn't going to sign nothing I couldn't
15 see.

16 Q Did you leave that meeting with those
17 papers?

18 A No. They wouldn't let you leave -- the
19 first meeting you couldn't leave with nothing but the
20 money they give you in your hand.

21 Q At the first meeting they gave you money?

22 A Yeah.

23 Q Okay. How much did they give you at the
24 first meeting?

25 A First meeting I got \$50. My children got

1 20 -- each one of my boys got 20 a piece, so that was
2 two of them, and my third son got \$5.

3 Q Okay. I've got two questions about that.
4 One, who gave you the money, and the other question is
5 what was your understanding that the money was given
6 to you for?

7 A Okay. Kathy gave me the money and gave
8 my sons the money, and the meeting was -- the first
9 meeting was -- well, when I first came there I didn't
10 understand what the first meeting was for because she
11 didn't really say. She told me to come back.

12 Q All right. So you've got money but
13 nobody told you what that money was for.

14 A Unh-unh (negative). But the second
15 meeting, that's when they was telling us what the
16 money was for.

17 Q All right. Now, tell me, when was the
18 second meeting and where was it and who was telling
19 you things.

20 A The second meeting was on the 14th,
21 because that was my son's birthday; I remember that
22 one, the second meeting. The second meeting when I
23 went, I got \$25. See, each time you go up there you
24 get paid for coming up there.

25 Q All right.

1 A The second meeting I got 25. And that's
2 when they gave me the blue flyers and ask me to put
3 them around the plant, you know, give them to
4 different people and let them spread the rumor. So I
5 didn't get any more than about ten flyers then.

6 Q And who gave you the money at the second
7 meeting?

8 A Kathy.

9 Q All right. Was Mike Espy at that second
10 meeting?

11 A He never came to none of the meetings.

12 Q Okay. Was the person you thought was
13 Mike Espy's brother at that meeting?

14 A He was at every meeting.

15 Q Was Kathy Sikes at every meeting?

16 A Yeah.

17 Q Was a lawyer named Richard Celler -- he's
18 a white guy about 30 years old -- was he at any of
19 these meetings?

20 A No.

21 Q Okay. So we talked about two meetings.
22 Second meeting they gave you some flyers. Did they
23 tell you anything about signing up to sue Wayne Farms
24 or what your rights were against Wayne Farms at that
25 second meeting?

1 A Okay. The second meeting -- no, they
2 didn't do it at the second meeting. The third meeting
3 we met on a Saturday. The next Saturday was -- it was
4 after the 14th. I don't know what Saturday that was.

5 Q Okay.

6 A So we met that next Saturday. We had to
7 be up there at 1:00.

8 Q Okay. So --

9 A No, 12:00.

10 Q This third meeting, did somebody give you
11 money at this third meeting?

12 A Yeah. We got \$50 at that third meeting.
13 Really I got \$100 at that third meeting because my
14 sons got 25 a piece and then I got 50.

15 Q And at the third meeting who gave you the
16 money?

17 A I don't know that guy's name, but he was
18 with Miss Kathy.

19 Q All right. Can you describe him for me?

20 A He's bright-skinned, short-hair,
21 mustache; he's a black man.

22 Q All right.

23 A And Kathy told me that was Mike Espy's
24 brother, but I don't know was he just saying brother
25 because he was there or brother full blood. I don't

1 know.

2 Q Okay. The Mike Espy I'm talking about is
3 the gentleman who used to be a congressman from
4 Mississippi and was Secretary of Agriculture. Is that
5 the same one you're talking about?

6 A Yes.

7 Q All right. At this third meeting where
8 you and your sons together got \$100, did anyone talk
9 to you about your rights against Wayne Farms or
10 encourage you to sign up to sue Wayne Farms?

11 A Okay. Now, at that meeting we got the
12 white flyers. That's when we got the white flyers
13 that Michael wanted us to take. He told us -- okay.
14 What we did is we got our package with -- we got a
15 package with nothing but the papers to give out the
16 flyers. Then we came back and he gave us the white
17 paper to fill out, and I told him I couldn't see it;
18 and I didn't never fill it out. I never brought my
19 glasses with me, but I always tell them I couldn't
20 see.

21 Q All right.

22 MR. CRUTCHER: Madam Court Reporter,
23 would you show the witness Exhibit A,
24 please.

25 THE COURT REPORTER: Yes.

1 A Um-hum (affirmative). These are the
2 flyers we were passing out.

3 Q Okay. Exhibit A -- and I know this is
4 just a photo copy and it's not colored. You told me
5 about some different colored flyers.

6 A Yeah. They came in white, yellow, and
7 blue. See, the white ones was for English. The pink
8 ones -- no, the yellow ones was for Mexicans, and the
9 blue ones was English.

10 Q Okay. But were the flyers basically the
11 same except the different languages and colors?

12 A Yeah, the same.

13 Q Okay. So this Exhibit A you were given
14 at which of these meetings?

15 A At every meeting.

16 Q Every meeting. Okay.

17 MR. CRUTCHER: While we're at it,
18 Madam Court Reporter, would you show the
19 witness Exhibit B.

20 Q Ms. Lindsey, did you ever see this
21 newspaper ad, Exhibit B? Was it ever, for example,
22 given out at any of these meetings?

23 A No. This was in the Impact.

24 Q Oh, okay.

25 A Because she told me she had put it --

1 when we was at the meeting, she said, We got it in the
2 Impact and the Laurel Leader Call. You know, I never
3 seen this paper, but I know it was in the Impact and
4 Laurel Leader Call.

5 Q All right. Before you met Kathy Sikes,
6 had you ever heard of this Mississippi Poultry Workers
7 United?

8 A No.

9 Q Did she ever explain to you what
10 Mississippi Poultry Workers United is?

11 A I had found out at the last meeting. She
12 stood and said, These are Poultry Workers United.
13 That was Mike Espy, Morgan & Morgan, and some other
14 man -- Richard Celleman (sic).

15 Q All right.

16 MR. CRUTCHER: Madam Court Reporter,
17 would you show the witness Exhibit C and
18 D, please.

19 A This the envelope.

20 Q Ms. Lindsey, you told me about some white
21 papers. I'm just taking a wild guess here, but this
22 thing that says Poultry Processing Questionnaire, do
23 you see it?

24 A Yes.

25 Q Exhibit C and D, were those the white

1 papers you were talking about?

2 A Um-hum (affirmative). These are the
3 applications.

4 Q Did anybody at any meetings tell you what
5 the use of these poultry processing plant
6 questionnaires was going to be?

7 A No. She just told us fill them out and
8 tear the top off, tear the second page off, keep the
9 third and tear the last two pages off. You don't keep
10 but one page and that's the --

11 Q Look with me at those pages of these two
12 Exhibits C and D that are headed Morgan & Morgan and
13 Retainer Agreement.

14 A Okay. Where you initial it?

15 Q Yeah. Those were among the papers you
16 were asked to fill out at these meetings. Is that
17 correct?

18 A Um-hum (affirmative).

19 Q How about the pages after that? There's
20 a page that says Lien for Attorneys' Fees and Costs
21 and Limitation of Client's Rights to Settle.

22 A Um-hum (affirmative).

23 Q Were you asked to fill that out at one or
24 more of these meetings?

25 A That's the one that -- where the 40

1 percent?

2 Q That's in the Retainer Agreement. And
3 then there's this -- after Retainer Agreement, here in
4 Exhibit C, you'll see Lien for Attorneys' Fees and
5 Costs and Limitation of Client's Rights to Settle.
6 It's a one-page agreement.

7 A Oh, he told them all to fill that out and
8 make sure they give him that main copy.

9 Q All right. Then after that there's a
10 page that says Notice of Consent to Join. Were you
11 asked to fill that out too?

12 A Yeah. He told them all to fill it out,
13 yeah.

14 Q Do you know whether other people who you
15 know were working for Wayne Farms at the time and were
16 at the same meetings did in fact fill out these
17 retainer agreements and other forms?

18 A That church was packed with nothing but
19 Wayne Farms people.

20 Q When you say the church was packed, what
21 church are we talking about and when?

22 A Okay. It's Second Baptist in front of
23 Oak Park School, and the street is Oak Park
24 Boulevard -- now, it used to be Harrison Street, off
25 of Queensboro -- on the corner of Queensboro Avenue.

1 Q And that's in Laurel?

2 A Yes, sir.

3 Q Do you remember about what date that was
4 and what day of the week?

5 A That was on the 10th.

6 Q Now, was that the last of those five
7 meetings, or was it --

8 A That was the last -- after that main
9 meeting at the church, it wasn't no more meetings. He
10 just had a lot of envelopes and gave them people
11 envelopes to send the flyers off to him.

12 Q Now, who was speaking on behalf of these
13 lawyers, Mike Espy and Richard Celler, at this last
14 meeting that was packed at the church?

15 A Okay. It was Mr. Mike Espy and Morgan &
16 Morgan -- a young man that was representing Morgan &
17 Morgan out of Florida.

18 Q Can you describe that young man for me?

19 A He was clean face, short hair, cut real
20 short, nice looking gentleman with a suit on.

21 Q Was he a white man?

22 A No.

23 Q Okay.

24 A There was no white man at the meeting.

25 Q All right. So there were five meetings.

1 To your knowledge, there hasn't been a meeting since.

2 A Unh-unh (negative). When they left there
3 Saturday, it was dead.

4 Q Okay. Have there been any more
5 distribution of these flyers in the plant where you
6 work since that meeting on --

7 A Yeah.

8 Q There have?

9 A Yes. Everybody keeps asking for them. I
10 keep them telling them leave it alone. I keep telling
11 them leave it alone. They keep asking me for flyers.
12 I told them I didn't have none.

13 Q At this meeting where lots of people, to
14 your knowledge, signed up on these retainer agreements
15 and questionnaires, to your knowledge, were any of the
16 people who did the signing already plaintiffs in this
17 Agee case that you're in against Wayne Farms?

18 A Yes. A majority of them is here. The
19 rest of them is at Sanderson Farms.

20 Q At this meeting where people were signing
21 up -- again, at the church and it was packed -- was
22 there any discussion by the people speaking for the
23 lawyers on what to do if you had already signed up
24 with some other lawyer?

25 A Okay. Only thing they was asking

1 about -- okay, since we're signing up with Mike Espy
2 and Morgan & Morgan, if we decided to drop the other
3 lawyers, would we have to pay them for dropping us and
4 hire you, and if we decided we didn't want Morgan &
5 Morgan and we dropped Morgan & Morgan and go back to
6 the lawyer we have, Morgan & Morgan told them that,
7 Yes, y'all going to pay us.

8 Q Okay. But what you recall them saying
9 was that you could drop the lawyers you had hired
10 before that, Seth Hunter and Bill Hommel, and hire
11 Morgan & Morgan. Is that correct?

12 A Right. Yes.

13 Q Okay. If that church was packed, do you
14 have a reasonable estimate of how many people that
15 church --

16 A I would say about 250 or more.

17 Q All right. Do you recall the names of
18 other people who are already plaintiffs with you in
19 the Agee case who were there and who signed up to hire
20 Morgan & Morgan?

21 A That's the whole plant. But, see, you
22 missed --

23 MR. CRUTCHER: Madam Court Reporter,
24 could you show the witness Exhibit E,
25 please.

1 A Could I say one thing?

2 Q Sure.

3 A See, you're missing the fourth meeting.

4 That's where the money came and half of the plant was
5 here.

6 Q Let's go back to the fourth meeting.

7 MR. CRUTCHER: Madam Court Reporter,
8 you can put off Exhibit E for a minute.

9 Q Take me back to the fourth meeting that I
10 skipped. Where was it and when was it and what
11 happened?

12 A The fourth meeting was on the 8th of
13 January. That was a Thursday. See, I didn't tell
14 nobody about the meeting. I told them that we wasn't
15 having no meeting.

16 Q You've confused me, because I think you
17 said the first meeting was January 14th, and you just
18 told me the fourth meeting was January 8th. Did you
19 mean February 8th?

20 A Yeah. Excuse me.

21 Q I'm sorry. Now let's go back. This
22 fourth meeting on February 8th, where was it and what
23 happened?

24 A It was at the alumni building behind Oak
25 Park School.

1 Q And who was there speaking for the
2 lawyers?

3 A Kathy.

4 Q All right. And what happened at that
5 meeting?

6 A Okay. See, we supposed to have it at
7 6:00 that evening, but I didn't get there until 6:30.
8 They didn't come until, like, 6:15 or somewhere
9 between there. When I first walked in, he handed me
10 my \$50 right at the door and gave me a flyer, the
11 questionnaire to fill out, and I said, Aren't we just
12 having a regular meeting? He said, No, this is the
13 night you fill out your questionnaires and give them
14 back to us, and I said, I don't have any glasses; so I
15 still didn't fill it out. But that room was packed.
16 It was over 100 people there from the poultry.

17 Q All right. That brings up another
18 subject that I probably missed, Ms. Lindsey. These
19 meetings, were they meetings at which only Wayne Farms
20 employees attended, or did other poultry workers
21 attend too?

22 A It was a mix. Mostly it was Wayne Farms
23 poultry because the -- by me not telling nobody,
24 somebody else came out and told them, and it was like
25 people I worked with on the back dock was there. I

1 was like, What y'all doing here? You didn't tell us
2 about the meeting. I said, I wasn't fixing to tell
3 you about it.

4 Q Do you know if anybody was there from
5 Cook Foods at any of these meetings?

6 A Who is that?

7 Q Okay. Do you know if anybody was there
8 who worked at Sanderson Farms?

9 A Well, you know, I just know faces. I
10 didn't know names.

11 Q Okay. So there wasn't any talk about
12 where different people worked. You didn't hear any
13 discussion of, I work at Cook Foods or I work at
14 Sanderson Farms.

15 A Unh-unh, it was none of that. They was
16 just saying come on in, come on in, sit down and get
17 an application and fill it out, here's your \$50. And
18 they would fill it out and they would leave.

19 Q I'm sorry. I stopped you when you were
20 talking about that fourth meeting. Go back, please,
21 and describe for me what happened at that fourth
22 meeting where you were at the alumni center at the
23 school.

24 A Like, I went there and when I went in, he
25 gave me my \$50 as soon as I walked in and sat down,

1 and he gave me the flyer and said fill this out; and I
2 kept saying I didn't bring my glasses. So I told him
3 that I'd fill it out and bring it to the meeting on
4 the 10th.

5 Q So that time you left with some papers.
6 Right?

7 A Yeah. We left with a stack of those,
8 stack of these questionnaires.

9 Q Okay. The papers that you left with, do
10 they look like these poultry questionnaires you've
11 seen in Exhibit C and D?

12 A Yes.

13 Q Did you also leave there with those
14 retainer agreements that you've seen in Exhibit C
15 and D to your deposition?

16 A Yes.

17 Q Now, at this fourth meeting, were there
18 Wayne Farms employees there you know to be involved in
19 the Agee lawsuit filling out the papers for the
20 Morgan & Morgan lawyers?

21 A Yes.

22 MR. CRUTCHER: Now, Madam Court
23 Reporter, would you show the witness
24 Exhibit E, please.

25 Q Ms. Lindsey, what this is is an

1 alphabetized list, last name first, of the people,
2 that is, the people who claim to be Wayne Farms
3 employees, who are suing Wayne Farms in the Agee
4 lawsuit where Mr. Seth Hunter and Mr. Bill Hommel are
5 lawyers for the people. I'm wondering if looking at
6 this list you recognize the names of people you know
7 were at one of these meetings where people were
8 getting paid and being asked to fill out these forms.

9 A See, I know only faces and I know the
10 first names. The last names of the people, I don't
11 know.

12 Q Okay.

13 A Okay. Like, on my shift I know that
14 came, like, a guy named Black. Now, whatever Black's
15 first name, I don't know his first name. And
16 Carmichael. And then the only two I really seen at
17 the meeting. One lady went; her name was Betty
18 Newell. That's the only one I think I seen there.
19 And other than that, that's it. Wasn't but three out
20 of our department went.

21 Q Now, at these last two meetings, the
22 fourth and fifth one, where you said the room was
23 packed, you believe that a lot of the people in the
24 room were Wayne Farms employees. How were you able to
25 tell they were Wayne Farms employees?

1 A Because I see them every day in the break
2 room. Okay, like, on second shift at 10:00 we used to
3 meet in the break room. All I know is they first name
4 or I know they face.

5 Q Okay.

6 A It was a majority of debone in there. I
7 say about 88 percent of debone was in there.

8 Q So is my understanding correct that they
9 give you money -- they being Kathy Sikes gave you
10 money on behalf of Morgan & Morgan and asked you to
11 sign papers, and you got the money but you didn't sign
12 them. Correct?

13 A Correct. I didn't.

14 Q Now, the other people there from Wayne
15 Farms also, at least some of them got money from Kathy
16 Sikes. Correct?

17 A Yes.

18 Q And, to your knowledge, because you saw
19 them, many of those people signed up with Morgan &
20 Morgan. Is that correct?

21 A Yes.

22 Q All right.

23 MR. CRUTCHER: Seth, I'm tendering
24 the witness.

25 MR. HUNTER: Bill, do you have any

1 questions?

2 MR. HOMMEL: No. I don't have any
3 questions. We'll reserve all of our
4 questions.

5 MR. HUNTER: I've got one question.

6 EXAMINATION

7 BY MR. HUNTER:

8 Q Ms. Lindsey, you've brought something
9 with you here today.

10 A Yes.

11 Q It's the Poultry Processing Plant
12 Questionnaire and an envelope.

13 A Yes.

14 Q What meeting did you get those at?

15 A We got these Saturday, the meeting on
16 Saturday the 10th, and they gave out envelopes like
17 these with two stamps on them that you can mail your
18 application back to Mike Espy.

19 Q And is that identical what you've brought
20 here today to what Exhibit C is to this deposition?

21 A Yes.

22 MR. HUNTER: That's all I have.

23 MR. CRUTCHER: Thank you, Ms.

24 Lindsey, for your time.

Q. How much per employee owed?

A. Potentially \$10,000s per worker

Q. Can I be fired for making a claim for back wages?

A. No. Federal Government prohibits employers from discriminating or discriminating against any employee making a claim for back wages. U.S.C. 29.3215(a)(3)

Q. What would a lawsuit be based on?

A. You are paid based upon line time. Prior to the Supreme Court's decision, you may not have been paid for donning (putting on) and doffing (taking off) specialized equipment. You probably have never been paid walk time, which includes:

- Time after donning until reaching the line.
- Time after leaving the line until doffing, and
- Time going to and coming from lunch breaks including re-doffing and re-donning.

Q. How did the Supreme Court's decision address these items?

A. It made them compensable such that employers are supposed to pay for these periods of time.

Q. What if my employer is already paying me for most of this time?

A. We are evaluating that on a plant-by-plant basis and position-by-position within the plants. The evaluation is free.

Q. How do you come up with potentially \$10,000s in back wages that could be owed?

A. The average wage in some states is \$9.43 an hour. If you haven't been paid for donning and doffing, off-clock work, walk time to and from the line, both at the beginning and at the beginning and end of the day and end of the meal break, this averages roughly \$3,000 a year (\$29.12/46). Were able to go back two years and potentially three years if bad faith is involved. This amount is then doubled under statute.

Q. Can I be fired for allowing you to look at this or to file a lawsuit?

A. No. Federal law prohibits employers from discharging or discriminating against any employee making a claim for back wages. U.S.C. 29.3215(a)(3).

"To discharge or in any other manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this chapter, or has testified or is about to testify in any such proceeding, or has served or is about to serve on an industry committee."

Q. Do I have to be in the country legally to be entitled to make a claim?

A. No.

RETAINER AGREEMENT

I, _____ (the "client"), retain and employ Morgan & Morgan as my attorneys to represent me in my overtime/minimum wage and other claims against _____ (the "Defendant(s)) and/or any other person(s), entities, or corporation(s) liable or responsible for damages resulting from my employment with Defendant(s) or the termination of such employment with Defendant(s). Richard Celler and Mike Espy, of Counsel to Morgan & Morgan shall handle my claims.

1. The client has, before signing this contract, received and read the Statement of Client's Rights and understands each of the rights set forth identified in such Statement. The client has signed the Statement and received a signed copy to refer to while being represented by the undersigned attorney(s).

2. In regard to attorney's fees, Morgan & Morgan has agreed to accept this case on a contingency basis so that if no recover is made, no attorney's fees shall be due. I have been advised that I will not have to pay the Morgan & Morgan's attorney's fees if I do not prevail, recover money, or settle the case. I also have been advised that I cannot waive, or in any way default Morgan & Morgan's claim for attorney's fees and costs, and that I have assigned and transferred to Morgan & Morgan, the right to recover attorney's fees and costs that I may have.

3. I understand that if Morgan & Morgan files a lawsuit against Defendant(s), it will seek attorney's fees under federal statutes and applicable case law against Defendant(s). These attorney's fees and costs will be paid by Defendant(s). I agree that the attorney's fees Morgan & Morgan will seek against the individual(s) and/or entities set forth above will be based on an hourly rate using the Lodestar method of calculating court awarded attorney's fees in Mississippi. In the event a judgment or court order is entered that provides for attorney's fees to be paid to Plaintiff or Plaintiff's attorneys, or a Stipulation is agreed to between the parties to the litigation which provides for attorney's fees to be paid to Plaintiff or Plaintiff's counsel, Morgan & Morgan's fees shall be the greater of (i) and (ii) below:

- (i) a reasonable attorney's fee as awarded by the court pursuant to 29 U.S.C. § 216(b) of the Fair Labor Standards Act, or under the applicable Mississippi or federal statute or case law; or
- (ii) forty percent (40%) of the total amount recovered on my behalf (including any court awarded attorney's fees).

4. Should a settlement offer be made, Morgan & Morgan will attempt to have the Defendant(s) add attorney's fees to the offer to see if the entire case can be settled at one time. If a separate fee is not contained in the offer and Defendant offers a lump sum for claims which you decide to accept, then the attorney's fees will be the greater of the amount calculated

For The People

pursuant to Paragraph 3(ii) above or \$300 per hour. Under no circumstances will I have to pay any attorney's fees or costs in excess of any settlement offer made.

5. In the event the court awards Morgan & Morgan attorney's fees or costs due to discovery abuses by the Defendant or Defendant's counsel, Morgan & Morgan may retain those attorney's fees and/or costs from the defense and they will not be part of this agreement for a set-off from any attorney's fees ultimately recovered.

6. The costs of investigation of your claims, expert witness fees, court costs, and other related litigation costs my attorneys incur shall be paid for or charged against any recovery by the client. The costs that shall be charged against the recovery shall be in addition to the attorney's fees outlined above.
